WHO WE ARE

Eugenius is a Seoul-based content studio developing and producing original IP that fuses Korean creative excellence with narratives and cultural touchpoints from the MENA region.

Backed by Shorooq Partners, a leading MENA venture capital firm backed by more than 15 sovereign wealth funds and institutional LPs, Eugenius is uniquely positioned to lead the next wave of East-to-MENA storytelling.

OUR FOCUS

Bridging **MENA** and **Korean cultures** through innovative storytelling.

About Eugenius

A DECADE OF EXPERIENCE IN SERIES PRODUCTION WITH GLOBAL PLATFORMS

Yale Alum **with 10 years experience in** drama production and distribution in **Disney+** , **MBC** and **CJ Studio Dragon.**

Founding member at Disney+ Korea where she led 6 local productions of Disney+ Originals. She also worked acquiring **Korean content across music and TV.**

Producer at CJ E&M ($3.6bn Market Cap) where she produced the tentpole drama "Jirisan" acquired by TVN and IQIYI.

Eugena also **produced 3 titles** for MBC (Largest Korean Linear Network), including the local market version of BBC's "Luther".

Yale Disney+ STUDIO DRAGON MBC

EXECUTIVE PRODUCER & FOUNDER

EUGENA JUNG

PRIVATE AND CONFIDENTIAL

EUGENIUS NAMED **TOP STARTUP** AT **UAE NEW MEDIA ACADEMY**'S '1 BILLION PITCHES' COMPETITION

At the '1 Billion Pitches' competition hosted under **the theme 'Content for Good'** by the UAE New Media Academy, EUGENIUS was awarded for its collaborative **project concept connecting Korean talents with emerging artists from the Middle East** through documentaries and creative content.

The recognition secured $3mm in funding and highlighted EUGENIUS as a pioneering content creator bridging Korea and the MENA region in front of over 15,000 attendees, including content creators, influencers and industry leaders.

OUR APPROACH

01

CROSS CULTURAL DNA

Rooted in Korea, with a team in MENA and a mission to merge Korean and MENA storytelling

02

TOP TALENT ACCESS

Leading creators, musicians and production teams bringing Korean creative excellence

03

GLOBAL DISTRIBUTION

10+ years creating content for global audiences and existing pipeline into leading platforms

04

DIVERSE IP PORTFOLIO

Wide array of original, adapted, and co-developed IP - across genres, formats, and markets

Business Highlight

OUR EDGE

Unmatched Korean talent pipeline

Tapped into Korea's creative elite, with track records across global hits

MENA cultural integration

Deep understanding of MENA narratives, archetypes, and audience resonance

Best-in-class production

Operational experience across Seoul, Anu Dhabi, Dubai, and global co-production hubs

Distribution-ready IP

Deep understanding of MENA narratives, archetypes, and audience resonance

Adaptation engine

Platform to source, localize, and adapt IP between Korea and MENA, including format rights

ALL OR NOTHING

Filming : April, 2026 I Premiere : July 2026

A high-energy K-pop idol travel competition set across Egypt, where teams battle through thrilling missions for luxury rewards. Winners indulge in gourmet dining and premium accommodations, while losers must survive with only the bare essentials. Featuring globally renowned K-pop group NCT, the series blends fierce competition, authentic cultural experiences, and cinematic travel into a fast-paced, franchise-ready format built for international audiences.

The winner takes it all—from luxury stays to unforgettable feasts.
A K-pop idol travel competition series.

BLACK SWAN
[BEAUTY AT FIRST SIGHT]

Filming : Nov 2026 I Sunrise : Feb 2027 I 60min x 8 episodes

"A story of resilience: how beauty becomes the gateway to belief"

A transformative docu-series where real women reclaim confidence, self-love and a future.

Across MENA, women silently carry scars from trauma, genetics, or past accidents.

Black Swan offers them a second chance: full aesthetic, medical, and emotional restoration.

Each episode follows a participant from local audition to life-changing makeover in Korea.

Expert teams from UAE and Seoul provide 360° care — surgery, therapy, coaching, and healing.

Project / 03

THE TOURIST
[SECOND ARRIVAL]

Filming: June, 2027 I Sunrise: July, 2028

A man wakes up in a foreign land with no memory, no name ; and reconnects with an old flame

A high-concept thriller built around identity, paranoia, and survival

Korean–MENA adaptation of a globally acclaimed IP reimagined through a regional lens

Location-agnostic : adaptable to urban or remote settings across MENA

Project / 04

THE SEOUL TABLE
[DUBAI]

Filming: Apr 2027 I Premiere: Dec 2027 I 40min x 4 episodes

"From first sketch to first service — Seoul's finest, in Dubai"

A Michelin-starred chef from Netflix's Culinary Class Wars opens a Korean fine-dining house in a Dubai landmark.

Four episodes follow the full build — menu development, sourcing, interior design, and the countdown to opening night.
A collaboration menu co-created with one of Dubai's leading local chefs: Korean technique, Gulf ingredients.
Positioned in the Hanu Dubai / Nobu tier — a destination restaurant, not a pop-up.
Opening night doubles as a stage: top K-pop artists perform for regional press and tastemakers.
Format DNA: Netflix's 7 Days Out x Korea's Jinny's Kitchen — docu-entertainment with a hard deadline.

THANK YOU
